CHURCH NURSERY SHOWER

The easy way to upgrade your church's nursery rooms.

HERE'S HOW IT WORKS:

1. Your staff comes to the Toy House and selects all of the new items you would like for your nursery and youth rooms.
2. Our staff delivers the items to your church.
3. Following your services for the next two weeks, you invite your congregation to "buy" the items you have chosen.
4. They pay *you* for the products they want to purchase, (thus saving sales taxes and getting credit for charitable donations).
5. You keep the items they purchase.
6. After you're done, just bring back the leftover items (if any) along with your payment for the items bought.

IT'S THAT EASY!

A WIN-WIN-WIN

You Win — Your church nursery and youth rooms get the new items you want to upgrade and replace old, broken and unsafe toys at no cost to your budget.

Your Congregation Wins — First, they get to see what their money is buying, making them more willing to donate. Second, by making donations to you for the items they "buy", your congregation saves both sales and income tax, while positively helping the children.

Your Children Win — By upgrading your nursery and youth rooms, your children will have a safer, more fun and comfortable environment to grow and prosper.

This proven method has helped many churches upgrade the items in their nursery & youth rooms while eliminating dangerous and broken products.

No appointments necessary, just stop in any time to start planning your **CHURCH NURSERY SHOWER!**

(Note: Toy House reserves the right to ask for a deposit or pre-payment on the toys being delivered.)
